Digital images (photos/video clips) taken during the camps may be posted to our **Rocket Basketball** website, and Facebook and/or Instagram accounts. Names or other personal identification of student participants **will not** be used.

Note: Persons who register their children for **Rocket camps** or individual coaching do so by choice and can read the Rocket Digital Image Policy on the registration pages of the website. Rocket will not be held responsible for digital images taken by phones or cameras of attendees of our camps or members of the public.

Photography/Videography at Events and Programs

Rocket Basketball may arrange for a photographer and/or videographer to attend our event or program specifically to take photos for the **Rocket** website and social media accounts. These photos are taken for the purposes of recording key moments during the event or program and furthering the business success of **Rocket Basketball**.

Rocket Basketball will take reasonable steps to prevent images of the Participant[s] herein named, from being posted on the Rocket Website, and Facebook/Instagram pages. **This does not constitute a guarantee.**

Photos and videos that capture the Participant throughout the day engaged in activities with other attendees cannot and will not be avoided.

Rocket Basketball will make **reasonable, best efforts** to:

1. Instruct its own photographer/videographer to exclude the Participant from posed group/team shots.
2. During the selection process for online posting, exclude images where the Participant is the only individual captured in candid or action shots.

If, by chance, an image is posted that is of concern, the Parent or Legal Guardian of the Participant must advise Rocket Basketball *in writing*, and that image will be removed from the Rocket website and social media accounts.
